# About Us

## *Establishment*

Since Year 2016 lead by an young and energetic team, we work with our customers to bring value to their time and money. In Year 2019 Al Mada comes up with an individual division Al Mada Solution and Services, to focus more on market.

## *Our Journey*

Al Mada Solution and Services a company for IT Services - Software and Hardware support, Electrical and Electronics equipment's maintenance and New Installations.

Since Year 2016, we started taking Turnkey Projects to meet the Customer requirements. We are working for Ministry projects (Sub-contracting to Government projects), Public and Private projects.

Employing a multi-disciplined approach, Al -Mada management, operational and technical teams are highly experienced career professionals carefully drawn from the fields of Building structural and solutions.

Our activities focus on the requirements of clients in both professional and private settings.
